United States Department of State

Washington, D.C. 20520

AUG -2

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting herewith certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services and defense articles for the Paveway II Airfoil Groups, associated components, and containers for end-use by the United Kingdom Ministry of Defence and Saudi Arabian Ministry of Defense and Aviation.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Enclosure:

Transmittal No. DTC 101-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
